Travel Team Optional & Post-Season Tournaments:

Travel Teams will evaluate and assess conditions to attend any travel tournaments such as Jr National Qualifiers (JNQs) and other travel tournaments such as Las Vegas Classic, Triple Crown, AAU, JVA, and any post-season tournaments. The club will decide IF IT IS REASONABLE and SAFE TO TRAVEL to any of these tournaments and will communicate with those teams on how to plan and budget for them. Each team will conduct parent/player information meetings with their team's coach & club staff to discuss and determine tournament priorities and any invitational & qualifying tournaments they could attend. The Board of Directors will make the FINAL decision in determining which tournaments teams will attend. Once the priorities are determined, additional fees will be assessed for entry & coaching fees/expenses. Several events now have a stay & play policy where teams are required to book their housing with approved sites.
